Last updated April 25, 2018

SWAGELOK'S COMMITMENT TO PRIVACY

Swagelok Company, its subsidiaries and its authorized sales and service centers (collectively, "Swagelok" or "we," "us," or "our") respect your right to privacy and are committed to protecting your information and/or data. This policy (the "Policy") summarizes what information we may collect through [Swagelok.com](https://www.swagelok.com)® and any authorized sales and service center website (collectively, the "Sites"), how the information may be used, with whom it may be shared, and other important topics relating to your privacy and data protection.

Please read this Policy carefully, because by using the Sites, you are acknowledging that you understand and agree to the terms of this Policy. In addition, please review the [Terms and Conditions of Use](#), which govern your use of the Sites and any content you submit to the Sites.

1. SWAGELOK'S PRIVACY SHIELD PARTICIPATION AND COMMITMENT

Swagelok complies with the EU-U.S. Privacy Shield Framework and the Swiss – U.S. Privacy Shield Framework as set forth by the U.S. Department of Commerce regarding the collection, use, and retention of personal information transferred from the European Union and Switzerland to the United States, respectively. Swagelok has certified to the Department of Commerce that it adheres to the Privacy Shield Principles. If there is any conflict between the terms in this privacy policy and the Privacy Shield Principles, the Privacy Shield Principles shall govern. To learn more about the Privacy Shield program, and to view our certification, please visit <https://www.privacyshield.gov/>.

Swagelok's participation in the Privacy Shield applies to all Personal Information (as defined below) that is subject to this Policy and is received from the European Union, European Economic Area, and Switzerland. Swagelok will comply with the Privacy Shield Principles in respect of such personal data.

Swagelok's accountability for Personal Information that it receives under the Privacy Shield and subsequently transfers to a third party is described in the Privacy Shield Principles. In particular, Swagelok remains responsible and liable under the Privacy Shield Principles if third-party agents that it engages to process the personal data on its behalf do so in a manner inconsistent with the Principles, unless Swagelok proves that it is not responsible for the event giving rise to the damage.

As further explained in the "How to Contact Us" section of this Policy, we encourage you to contact us should you have a Privacy Shield-related (or general privacy-related) complaint. For any complaints that cannot be resolved with Swagelok directly, Swagelok has chosen to cooperate with EU data protection authorities ("DPA") and comply with the information and advice provided to it by an informal panel of DPAs in relation to such unresolved complaints (as further described in the Privacy Shield Principles). Swagelok is subject to the investigatory and enforcement powers of the U.S. Federal Trade Commission ("FTC"). Swagelok is also committed to cooperating and complying with the Swiss Federal Data Protection and Information Commissioner.

Please find further information from the DPAs at http://ec.europa.eu/justice/data-protection/article-29/structure/data-protection-authorities/index_en.htm.

Under certain conditions, more fully described on the Privacy Shield website (<https://www.privacyshield.gov>), you may invoke binding arbitration when other dispute resolution procedures have been exhausted.

2. USE AND COLLECTION OF INFORMATION
